More details below and on page 7.

DEAR FRIENDS:

I'm delighted to welcome you to our upcoming Yarchei Kallah, jointly hosted by Kollel Ohr Yosef and the BAYT's adult education division. What a wonderful opportunity we have to study Torah with amazing Torah scholars over the statutory holiday. I invite you to join with our kehillah and the Kollel rabbis to enrich your souls over this winter break!

I'm also very excited to announce that we are launching a new initiative in conjunction with the Kollel: Under the guidance of the international network of Pirchei Shoshanim, we will be soon offering the opportunity for anyone interested to enter into a semicha program, right here at the BAYT! As a working ba'al ha-bayis, you will be able to seize that opportunity to get semicha even while you're working during the day. Using the materials provided by Pirchei Shoshanim, the Kollel rabbis will guide you through the complexities of Yoreh De'ah. You will be hearing more about this exciting new venture, but I encourage you take advantage!

Wishing a blessed and joyous Chanuka,

Rabbi N. Daniel Korobkin
